Certification

The
air-conditioning devices
of the series
Coolstream

made by
Colt International GmbH
Briener Str. 186
47533 Kleve

conform the hygiene requirements of
the guideline VDI 6022 Part 1 (07/2011)
*Ventilation and indoor-air quality Hygiene requirements for ventilation
and air-conditioning systems and units*

The conformity inspection was passed by test units installed by Colt International in Kleve, Germany. The test parameters and results are available on the test report 6147p4, dated December 5th 2007 and 9630p3 dated July 15th 2010. The continuance of the conformity is confirmed in the report 2320p1 dated July 12th 2012.

This document also attests to the unit's conformity to the hygiene requirements of VDI 3803 (02/2010) and DIN EN 13779 (09/2007). The length of validity of this certification is unlimited. Any changes of the construction and the assigned materials or the guideline are examined annually.
